The development has communal gardens and 2 outdoor swimming pools where you can enjoy the peace and tranquillity of the area, plus a gym and an indoor pool for body and mind care. Moreover, the south-southwest orientation takes full advantage of natural light and offers impressive sea views.

The luxury penthouse has spacious, beautifully oriented rooms; large-format porcelain floor tiles, large windows in all bedrooms and lounge that let natural light flood in at all times of the day and open onto beautiful terraces where you can enjoy your most relaxing moments.

The kitchen, designed using top brands, is designed to be completely open with the main space: quartz countertops, built-in appliances, and integrated Led lighting that brings sophistication and warmth. The elegance of large-format porcelain tiles has been chosen for the bathrooms, reflecting, and guaranteeing good design.

On the upper floor, you will find your own private pool, and sun beds where you can privately enjoy the beautiful sea view.
